9 March 1962

Mr. Robert A. Kevan  
Deputy Assistant Secretary (International Affairs)  
Department of Health, Education, and Welfare

Dear Mr. Kevan:

STATINTL

I am in receipt of your memorandum to [REDACTED] dated 15 February 1962, subject: HEW Representation on USIB Committee on Procurement of Foreign Publications (PROCIB). In this memorandum you request the appointment of a representative of your Department to PROCIB and propose Mr. Robert P. Parkinson as that representative.

This request has been discussed with the members of PROCIB, who join me unanimously in approving your request. I am sure that this representation will be of mutual benefit to all of us, and we will be pleased to welcome Mr. Parkinson at future meetings.

PROCIB meetings are scheduled for the fourth Tuesday of the month at 10:30 o'clock and are held in the CIA Headquarters Building at Langley, Virginia. The membership usually receives an agenda in advance, and the members may place items on the agenda by advising the office of the PROCIB Secretary (Mr. [REDACTED] code 143, extension 5000). I suggest that at the March meeting Mr. Parkinson might wish to make a short statement on HEW activities in the publications procurement field, as well as any major problems you may have in this field. As a matter of interest, I wish to note that the National Library of Medicine also has a representative to PROCIB.

Sincerely yours,

STATINTL

/s/

Walter Pforzheimer  
Acting Chairman  
PROCIB
